Dear sir! We have diagnosed and treated 179 new patients from 1.1.2014 up to now. Our total patients are 301.

1,260,000 IU of CFC were used for our patients; 830,000 IU for emergency, severe patients and surgery, and 430,000 IU for preventive and other patients.

1,000,000 IU have been donated by Italy, the rest came from our Government and from WFH.
